

## **CORPORATE STATEMENT**

Action Bladder Cancer UK is a charity working to support those with bladder cancer and to improve outcomes for patients.

We are committed to working in ethical collaboration with commercial and corporate partners in the interest of people affected by bladder cancer.

We will accept funding from appropriate corporate and industry supporters. Neither our work, our campaigning nor our information materials will be influenced by accepting any corporate donations or sponsorship.

We feel it is important to work with companies that manufacture drugs, treatments or devices which will treat or support bladder cancer patients. We will work in a transparent partnership with appropriate pharmaceutical companies and the medical device industry where these relationships will help promote and improve the interests of bladder cancer patients and fit within the objectives of our charity. We would not accept support from any pharmaceutical or medical industry company for work that we consider to that lie outside the agreed objectives of our charity.

We are happy to accept funding, or support in kind, from appropriate corporate supporters outside the health or pharmaceutical sectors.

Each corporate collaboration will be assessed and agreed on an individual basis by the charity executive.

We are grateful for the support shown by our existing corporate supporters which help us in our work.
