

UNDERSTANDING BLADDER CANCER and the latest developments

A Nurses' Education Day

ABC UK Education Day for Urology Nurses and Clinical Nurse Specialists

This Education Day aims to provide nurses with up-to-date knowledge on bladder cancer treatments, best practice and the newest developments. Urology nurses and cancer nurses across the UK will have the opportunity to network and share their experiences and expertise. This event is also open to nurses who wish to extend their knowledge of bladder cancer and who may be working in other areas of urology or cancer care.

Friday 08 September 2023 - The Studio, Birmingham
