

Cystectomy:

patient preparation, urostomy management and patient impact

A Nurses' Bladder Cancer Education Event

This ABC UK Education Event aims to give nurses up-to-date information on cystectomy, how to prepare patients for bladder removal and urostomy, recovery, post-surgery management/managing an ileal conduit, psychosexual issues after surgery and also the patient viewpoint. Urology nurses and cancer nurses will also have the opportunity to network and share best practice.

Friday 30 June 2023
