

We are pleased to invite you along to our **focus group**.

This is to help our research team establish a health and wellbeing intervention to support patients with bladder cancer.

The aim of the meeting is to get a better understanding of the patients' and public's needs and concerns in the context of developing our research protocols.

We hope to welcome you at the below meeting!

	Focus Group
When:	Wednesday 31 th July 2019
Time:	10:30-12:00
Where:	Urology seminar rooms, Urology Guy's Hospital London SE1 9RT

Refreshments will be provided.
Friends and family members are also welcome!

**Please confirm attendance (and any potential dietary requirements)
by contacting Saran Green**
